

The Little Cake Hut

Starting a new business is a very nervous and exciting experience, it was very important to us to get everything right and on a very professional level, Zena at Scarlet Zebra helped us to achieve this. After giving her some colour and design ideas, Zena created the most wonderful website we could have only dreamed of. It has everything we needed and more. It is displayed in a way that is easy for anyone to access and shows all we have to offer.

We are not the best at anything to do with I.T and Zena has been an amazing help in every way. Zena always kept us up to date with the progress and now nearly 6months on she is still a constant help and provided us with easy instructions for us to follow.

The Little Cake Hut is now a thriving business thanks to our website.

Zena we could not have asked for any more from you, your service has been fantastic. We would highly recommend any company wanting the professional touch to instruct Scarlet Zebra Business Solutions.
